

Instructions to Anchrom’s lab visitors

Welcome to Anchrom.

Anchrom is a lab equipment supplier, dedicated to the technique of High Performance Thin Layer Chromatography since 1978. At Mulund, Mumbai, we have our H.O. together with Camag Switzerland Recognized HPTLC Application Research Laboratory as well as Camag Switzerland approved Service Centre.

Our lab is equipped with all the Camag HPTLC Products.

The staff at our lab is as follows :-

Mr. T.B.Thite	Sr. Manager
Mr. Shahrukh Bharucha	Sr. Manager
Mr. M.Krishnan	Manager
Mr. Vaibhav Nayakal	Ph.D. Res. Scholar
Mr. Saikat Mallick	Ph.D. Res. Scholar
Mr. Chintan Shah	Application Specialist
Mr. Shardul Kulkarni	Application Chemist
Mr. Prashant Hande	Application Chemist
Mr. Jayachandran	Application Specialist
Mr. Santosh Birhade	Lab assistant

(Not all of them are available all the time).

We offer free training to P.G. students, teachers and also to Govt. lab employees from all over India, who are interested in using TLC/HPTLC for their research work or who plan to buy a HPTLC System. Those keen to learn HPTLC, can attend one of our “Deminars” on HPTLC, which we conduct all over India. (Deminars : Seminar + demo).

Our aim of inviting analysts to our lab is to give them access to HPTLC instrument, if they do not have it. We offer our lab facilities and expert guidance but take no responsibility for results, because we have no control over the standards, samples, sample preparation etc.

Sample analysis for students and teachers carries a small charge i.e.

Registration fee for each type of sample Rs. 50/-

(Merck plates, 5554, normal phase)

TLC Plate 10x10 cm (Al foil, F254) Rs. 75/-

20x10 cm (Al foil, F254) Rs 150/-

20x20 cm (Al foil, F254) Rs.300/-

Merck plates, 5559, RP-18

Rs. 300/-

Rs. 600/-

Rs. 1200/-

You need to buy the plates for your work from Mr. Santosh Birhade. If you bring your own plates, then, of course, you will not be charged except for registration fee. Payment to be made by cash.

Your presence is required in Anchrom's lab during the analysis. We do not undertake analysis of samples at a subsidized rate from students and teachers, in their absence.

Safety :- Is first and foremost. Pl. wear protective glasses, while working in our lab. Pl. ask for them. Wear rubber gloves when handling corrosive chemicals. Chappals / Sandles are not allowed.

Photocopies : Since the books get damaged, they cannot be given for photocopying. Loose papers may be taken out with permission for photocopying in near by shops & must be returned in time.

Mobiles : Should be kept in silent mode and used only during tea/lunch breaks.

Library : The books may be used very carefully as they are expensive and also often, out of print. You may take notes from them.

Info CD : Will be given to you containing almost all the info you need.

Results : All results will be given on a CD only and not as hard copies. All results taken from our lab, will be scrutinised by us.

Use of office facilities : Like phone /photocopying /printing/Scanner/Fax machine is not allowed as it affects our routine work.

Internet : Access to internet using Anchrom's account is strictly forbidden.

Virus, worms etc. : Insertion of your CD, pen-drive and any other PC compatible device is strictly forbidden. Action will be taken against such offenders.

Lunch : Can be had by you at your cost at any nearby restaurant (e.g. Campus, Campa, Bawarchi, Ruchi) etc. Home made food packets can also be bought from nearby places.

Guest House : - We do not have guest house, anymore.

Silence must be maintained throughout your presence.

Certificate of Training will be given to only those who follow all the above rules.

Once again, welcome to Anchrom.

Wish you all the best.

Anchrom Team
